

Fundraising for Bushfire Victims

On Monday the 9th of February 2009 the students of Central School came in free dress to raise money for Victoria's bushfire victims. Most of the Central School children arrived in free dress and with a gold coin donation. Some students even brought more money. A special thanks to Mrs White and our new School Captains for organising the event. In total we raised \$400. We will be having another fundraising event soon – a "Sausage Sizzle and Slice" day.
